

2012 - DIGITAL AD SPECIFICATIONS

(Replaces all previous specs)

1. Binding Method & Printing: Perfect bound
Web off-set printing. Digital direct to plate.

2. Size:	Page	Spread
Bleed Size	8 1/2" x 11 1/8"	as single pages
Live Matter	7" x 9 1/2"	each 7" x 9 1/2"
Non-bleed Size	7" x 9 1/2" each	7" x 9 1/2"
Trim Size	Various	Various

IMPORTANT: Due to the multiple trim sizes that our inserts must accommodate, adherence to LIVE MATTER SPECS is imperative.

For a Spread: Provide single pages with positioning proofs.

Note: Your ad will be running in magazines with varying trim sizes. Live matter should be positioned vertically on an 11-1/8" page 1" from top bleed edge and 5/8" from bottom bleed edge. You must give us the full bleed size as specified above to ensure proper bleed for all magazines.
